COLLEGE OF ENGINEERING, BANGALORE.

Notice is hereby given that sealed tenders will be received at the office of the Professor in charge, College of Engineering, Bangalore, up to 1st week of March 1918, for supply of the following tools and materials for the Fitter and Carpentry section of the College Workshop. The articles are to be given delivery at his office by the end of April 1918 at the latest.

Each tender must be accompanied by a deposit of Rs. 100 in currency notes, as earnest money.

The final acceptance of the tender will rest with the Professor in charge, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money forfeited.

The name of the successful competitor, whose tender has been accepted, will be posted on the notice board of the College of Engineering in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Note.—Any further details may be obtained at the office.
